Caribbean Nurses Organization 33rd Biennial Meeting & Conference: October 20-26, 2024 - Guyana
CALL FOR ABSTRACTS

Conference Theme: "Nurses: Strategically Positioned to Move Healthcare Forward".

About the Conference

The Education Committee of the Caribbean Nurses Organization (CNO) 2024 conference cordially invites participants to submit abstracts either for oral presentation or for poster presentation.

The Caribbean Nurses Organization will focus on the strength, steadfastness, and innovative pathways to achieving a justifiable future for Nursing in the Caribbean through education, public health policy, research, leadership, and practice.

The five-day conference will provide an opportunity for a multi-disciplinary exchange of strategies that support nursing and prepare this discipline for success which will serve as a platform for the presentation and sharing of cross-sectional perspectives from professionals, academics, and administrators in nursing.

Sub-themes

CNO invites papers that take into consideration the conference theme and address the following sub-themes:

- **Nursing Education**: the evolution of nursing education in the Artificial Intelligence (AI) world.

- **Public Health**: The Role of the Public Health Nurse in the Battle of Infectious Disease, Climate Change and Post COVID-19 impact on healthcare Interventions.
- **Nursing Practice**: Technological innovation and the advancement of nursing practice.
- **Nursing Leadership**: Emerging roles of nurse leaders in healthcare, governance, policy, and quality management.
- **National Nursing Association**: Involvement in healthcare decision-making and politics.
